PDA – HAI WEB LINK II

# MH Smart home Summary & Options

## The Smart home HMI (III)

INTERNET BROWSER - HAI WEBLINK II

The screenshot displays the HAI Web-Link II interface. On the left is a vertical navigation menu with icons for Home, Control, Security, Temperature, Button, Events, and Messages. The main content area is titled 'Home Overview' and includes a 'System Information' table, a 'Temperature' section, and a 'Video-Link' window showing a live camera feed of the front of the house.

**System Information**
